Opportunity to speak at DesignBUILD Melbourne

Hello all.

National Precast will again be involved in Designbuild – this year being held in Melbourne from 4th-6th May. As part of our involvement, we have been invited to participate in the Speaker Programme which runs throughout the course of the show. Not only does it showcase precast, but it's also great exposure for your company.

Sessions are 45 minutes including questions and should fit into one of the following themes – compliance, innovation or sustainability.

Please contact me before Wednesday 27th January if you are interested.

Sarah Bachmann

CEO
