## The Precast Show 2017 - Cleveland, USA

### You still have time.....but only just!

Sarah, along with a few others, will be heading to Cleveland in late February to meet with NPCA and attend The Precast Show, and they would love some more people to join them.

Please let [Sarah](#) know before **COB this Friday 13th January** if you may be joining the group, so that we've got an idea of numbers and can work with NPCA about arrangements.
