

DesignBUILD is under 1 week away!

Hi Everyone,

DesignBUILD is fast approaching. We are looking forward to seeing you there - our CEO Sarah Bachmann will be there to set up Monday and at the exhibition on Tuesday and Wednesday. Daniel Hall, our Marketing & Comms Co-ordinator, will be there on Thursday.

It's so great to see so many of you taking up this opportunity to promote your businesses and network with all the architects, engineers, and builders that will be at the exhibition. To help you out, we've put together some useful information about some things you will need to know:

- [Getting there](#)
- [Badge pick up](#)
- [Where to meet](#)
- [Shirts](#)
- [Promotional material](#)
- [Seminars](#)

Finally, please read [this document](#), which outlines the guidelines that we ask you to follow, to ensure everyone is on the same page.

If you have any further questions or queries about the exhibition, please don't hesitate to call us on (08) 8178 0255 or email Daniel at marketing@npcaa.com.au.

Getting there

Train

It takes less than 20 minutes to train from Central Station to Lidcombe Station, with over 100 services each day between 5:55 am and 11:38 pm.

The Sprint service, operated by CityRail, travels between Lidcombe and Olympic Park Stations daily, every 10 minutes, and only takes 5 minutes.

The Olympic Park Station is situated directly opposite The Dome.

Car

Sydney Olympic Park is surrounded by Parramatta Road, M4 Motorway, Homebush Bay Drive and Silverwater Road. For short visits, there are ample two hour free parking spaces located on Grand Parade, Olympic Boulevard and Dawn Fraser Avenue. There are also over 400 accessible car parking spaces.

Carparks P1, P5 and P6 are in close proximity to Sydney Showground. The rate is \$5 per hour, up to a maximum fee of \$25 per day.

Bus

- 401 – Lidcombe to Olympic Park Station via Mons Street (approx. every 20 min during peak)
- 450 – Hurstville to Burwood & Sydney Olympic Park
- 525 – Between Parramatta and Burwood via UWS, Rydalmere, Ermington, Silverwater, Newington and Sydney Olympic Park.
- 526 – Sydney Olympic Park Wharf to Burwood via the Sydney Olympic Park.
- 533 – Chatswood to Sydney Olympic Park via Mowbray Rd, North Ryde and Rhodes.

Exhibitor badge pick-up

Your badges will be available for collection from the Organisers office from 8am on Monday 27th April.

Where to meet

The National Precast stand is **Stand A26** and will be located next to the networking cafe. Please make sure you arrive at the **National Precast Stand** before **10am on the day you are manning the stand**.

If you're going to be there on Tuesday or Wednesday and have any questions on the day, contact Sarah on 0414 880 351. Contact Dan with any questions on Thursday, on 0400 550 505.

National Precast volunteer shirts

We have had National Precast branded shirts made for you to wear whilst manning the stand. These will be loaned to you for the duration of your stay. They will be available for collection from the stand on the day. Please make sure you return the shirt to the stand, so they can be used at the next event!

Promotional material

Don't forget to bring along your company promo material to hand out (everyone manning the stand is allowed to bring along 2 promotional items including brochures and other types of promo items, e.g. rulers, USBs etc).

National Precast will be handing out USBs and notebooks to qualified leads – if you hand these out, please make sure you collect a business card so we can collate contact details to circulate to you later.

DesignBUILD Seminar Series

The DesignBUILD Seminar Series offers you the chance to hear and learn from industry experts on current news within the architecture, building, construction and design industry.

See our own Cathy Inglis from Austral presenting **Halo on Mount** and John Hewitt from Hanson presenting the **North West Rail Link Skytrain**, both on Tuesday 28th April.

Other seminars from the Structural & Landscaping Stream that might be of interest over the three days include:

- Barangaroo Point (Johnson Pilton Walker)
- Green infrastructure (Sydney Olympic Park Authority)
- Third party certification (Good Environmental Choice Australia)
- Safety in design (CSR, MBA & Holding Redlich).

View the full Structural & Landscaping seminar programme and book your tickets [here](#).

Note that the Interiors & Technology programme also includes some interesting presentations, including:

- Building your brand (Houzz)
- Transforming the work of building design, construction and operation (BuildingPoint)
- Project team integration (ACIF)
- APCC procurement of construction products (APCC)
- Demand driven forecasts (ACIF).
