Australian Technologies Competition 2015

The Australian Technologies Competition identifies, mentors and profiles Australia's best technology SMEs. Entries are now open and will close on 19 May. Don't miss your chance to qualify for the free Accelerator Program. The 30 Semi Finalists will have access to mentoring, profiling and introductions to industry, partners and investors.

National Precast members may be interested in entering the **Advanced Manufacturing** and the **Built Environment Technologies** categories. There will also be an **Innovative Regions Award** to recognise the city or region that provides the best support to emerging technologies.

The Competition, now in its fifth year, has so far delivered over \$250 million dollars in investment and contracts for Australian SMEs. In 2014, the Competition attracted over 225 applicants and recognised 36 Semi Finalists, and 6 industry Winners.
