# DESIGN BUILD

Thank you to all of you who came along to DesignBUILD 2015, the exhibition went great! We hope everyone who went had a successful day and managed to get a few good leads and contacts. And a big thank you again to all the companies that supplied the displays for the National Precast stand. The furniture (Quatro), counter (Concrete by Design), plinths/cube tops (Reckli), flooring samples (Austral, Precast Concrete Products and Ultrafloor), walling cubes (Asurco, Precast Concrete Products, Concrete by Design, Reckli, Nawkaw and Reid), planters (Quatro) and book cases (Austral) all looked fantastic. It all really complimented the backing walls, sky banner and signs and it all pulled together very, very well.

Have a look at some of the photos from the event:
