Representation and Advocacy, August 2017

Call for Member to represent National Precast **Close date for EOI Friday 25th August**

National Precast requires a representative for BD-049:

- **BD-049 – Specification and Methods of Test for Packages Concrete Mixes**

Due to the retirement of our representative, National Precast is seeking suitably qualified nominations from Precaster and Supplier members for this committee. This active committee will begin work shortly on the revision of AS3648.1993 – Specification and methods of test for packaged concrete mixes.

It is expected, approximately 3-4 meetings would be held per year until the project is completed with meeting venue to change between capital cities in proportion to the residence of committee members. Please be advised that Standards Australia does not provide travel and accommodation expenses for the members attending the meeting; however it arranges lunch and refreshments during the meeting.
