March 2015

DesignBUILD - do you want to man the stand?

We need your details by Friday 27th of March

DesignBUILD is being held at the Sydney Showgrounds from 28-30th April 2015. NP is exhibiting in a huge 12 x 6m stand which will include a networking café. It is a fantastic way to have a presence with visiting architects, engineers and builders.

Each member will be able to send a maximum of one person per day to man the stand and will be able to bring along a maximum of two types of company promo material to hand out (including a max of one brochure and one other type of promo item, e.g. ruler, USB etc).

We are also investigating branded business shirts (NP logo + Member) and nametags, to give to those who want to man the stand. As such, we need to know names and sizes! Please email Megan [here](#), before close of business 27th March, with the following information:

- Company name
- Name
- Position
- Email address
- Shirt size (S, M, L, XL, XXL).

****** Note - if you wish to have someone there to man the stand, we MUST have this information by 27th March!**
