Member Advertising Opportunity

EPC Publishing is offering NP members the opportunity to advertise on the front cover of the next issue of *Construction Engineering Australia* magazine at a reduced price, before seeking advertisers elsewhere.

What's on offer – Front cover PLUS 2 x double spreads inside the magazine - \$4,200

This usually costs \$6,500 and usually only includes 1 double spread.

If you haven't already seen the August issue, [you can see it here](#). In particular you will see our editorials on pages 6 and again on pages 34 onwards.

If you are interested, get in touch with Tony Schmidt from EPC asap on 0414 788 900.
