National Precast is going to Sydney!

Members' Dinner/Meeting/AGM
20th - 21st November

URGENT - National Precast rep needed for BD-043 Formwork

National Precast is inviting nominees to represent us on a new project established by Standards Australia to undertake work on:

- AS 3610.1 Formwork for concrete – Documentation and surface finish
- AS 3610.2 Formwork for concrete – Design and testing
- AS 3610.2 Supp 1 – Supplement 1 to AS 3610.2 Formwork for concrete.

[Terms of Reference](#)

If you would like to nominate someone to represent us on this committee, please have them complete and return an Expression of Interest before close of business Monday 10th November (we must have our nominee approved and to the committee by the 17th).
