### Publication of MRTS70 Concrete

The Queensland Department of Transport and Main Roads has recently published an updated version of MRTS70. NP in collaboration with the CPAA have spent a significant amount of time working with the department on this document.

Precasters supplying products to TMR projects will need to comply with this specification. As with all specifications there is a transition period. Please review the document [here](#) for information regarding this transition.

The latest version of MRTS70 can be downloaded from [here](#).
