

## Industry Incident Notification

September 2018

### MC Pipes Shepparton, VIC - fatality

Good Afternoon,

As some of you might be aware, a 25-year-old man died last Friday at MC Pipes in Shepparton, Victoria.

Initial comments from WorkSafe Victoria suggest that the man was cleaning when he became entangled in a conveyor belt.

You can read the brief WorkSafe Victoria's article, [here](#).

You can watch Nine's coverage of the incident, [here](#).

You can access the MC Pipes website, [here](#).

We have made contact with WorkSafe Victoria to offer our assistance should they need it and will keep you up to date on progress.

The dangers of conveyor belts cannot be understated. If you operate these in your factory please distribute this information to your staff during your next tool box meeting.
