Attention: Members who supply the WA construction industry

The Western Australian Industry Participation Strategy (WAIPS) has been developed to give effect to the objectives within the Western Australian Jobs Act 2017 (WA Jobs Act). The WAIPS represents a new era in State Government purchasing for both agencies and industry, as it applies to all State Agencies and all forms of procurement.

The WAIPS aims to provide local businesses with full, fair and reasonable opportunity to access and win State Government supply contracts. In particular, it focuses on small and medium sized enterprises, which make up approximately 97% of businesses in Western Australia.

Please find attached a letter from the WA Government regarding sourcing local industry capability [here](#).

Make sure to register yourself as a WA contract supplier!
