April Members' Meeting outcomes

What an energetic meeting we had in Adelaide. Great to see a lot of you again!

Thank you to our fabulous Members' Meeting presenters: Michael Waeger (Waeger Precast), Natalie Martin (Caccia Recruitment), Sean O'Sullivan (Moray & Agnew), Nick Leos (Evolution Precast), and Geoff Fletcher (Euro Precast).

	<h4>New Board + 1</h4> <p>We are delighted to announce that Alberto Ferraro, MD of PERMAcast in WA, has joined the NP Board.</p> <p>Under the Constitution, we are allowed a maximum of 10 directors, and we now</p>
--	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

have filled all positions. It's exciting to see so much interest in leading the nation's peak body for precast manufacturers.

Alberto, we all look forward to having you 'on board'... and thanks for modelling for our new brochure!

For a list of the new NP Board click [here](#).

Incoming President announced

All things going well and assuming he is elected back to the Board at the November AGM, the Board has appointed Michael Waeger from Waeger Precast in the Hunter Valley as Incoming President.

Congratulations Michael!

Staff changes

Sean O'Gorman, our Tech Services Manager, has accepted a scholarship to finish his PhD At the Uni of Adelaide, commencing 20th May this year. Luckily, he will stay with us for a day or so a week.

Meanwhile, we welcome back Daniel Hall, who will be looking after Marketing and Member Services on a casual basis.

Rep changes

We are pleased to announce that Geoff Fletcher, Euro Precast's Temporary Works Engineer, has been appointed to represent NP on BD 002, the Standards committee for AS 3600. Thanks Geoff, and to George too.

Search for State Co-ordinators

We are on the lookout for State Co-ordinators for Queensland, South Australia, Western Australia, Victoria and Tasmania. This is a commission only role with a hefty incentive when new members are brought on board. There is a trailing commission for new members and a small fee payable for existing member renewals.

If you know anyone who might suit this role (extensive experience with precast, a commitment to the industry and a great

personality are a must), please pass this on and have them contact [Sarah](#) to discuss.

Want to help grow Precaster membership?

Please let us know if you'd like copies of the new Precaster membership brochure.

Remember too, there's an incentive for you to bring on a new member (in states where there isn't yet a state co-ordinator), where you'll be thanked with a credit of 50% of the new recruit's first year's fee.

View it [here](#).

DesignBUILD

Thanks to Michael Waeger and Peter Webb for agreeing to set up the stand and to Richard Lorenzin and Peter for agreeing to pack it up. We hope that those Sydney companies who are manning the stand during the show get a few good leads.

June Members' Event

The April Members' Event will be held at the Branksome Hotel, Mascot, NSW on Thursday 27th and Friday 28th of June.

Registrations open - [register here](#).

New staff members?

New staff members?

Please let [Daniel](#) know of any staff members you would like to receive member communications (full name, email & work address if they'd like to receive hard copy publications).

Updated Member Contact List
