Need Help With Contracts?

How do you price and pass on liability?
What language should serve as a red flag?
When should you walk away?

[Get some answers here](#)

Interpreting The Shergold Weir Report's Implementation Plan

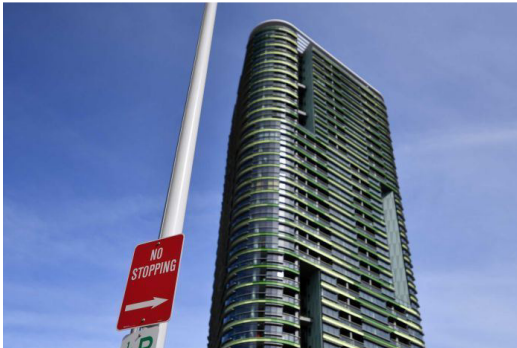

The Association of Consulting Architects has released an excellent state by state summary of recommendations and progress on the Implementation Plan for the Shergold Weir Report.

[Full details available here](#)

Minimum Asset Thresholds For QLD Builders

The Queensland Building and Construction Commission is clamping down on wayward builders with new legislation requiring that minimum asset thresholds are met. No more jet skis and racehorses propping up balance sheets.
