June Members' Meeting outcomes

Numbers were lower than usual, perhaps thanks to school holidays and end of financial year. But a big thank you to you if you joined us. We hope you came away from the meeting with at least one piece of valuable information you can implement in your business.

Thank you to our fabulous Members' Meeting presenters: Natalie Martin (Caccia Recruitment), Ehab Hamed (UNSW), Warwick Dawson (UNSW), Natalie Lloyd (UTS), and Jillian Bullock (The LinkedIn Ninja) . We are sorry that Liz Radley from Moray wasn't able to attend and Liz, we hope you are now recovered from the flu!

Thanks Kevin Crompton

We are sad to advise that Kevin Crompton is no longer with ULTRAfloor and as such, is no longer able to be ULTRAfloor's NP rep, nor NP's President. We'd like to take the opportunity to thank Kevin for his involvement over recent years and for his leadership. We're sure you'll agree he did a great job.

Meanwhile, thanks and congratulations to Michael Waeger from NSW-based Waeger Precast, for taking on the role of President earlier than anticipated!

Members' event photos

Have a look at the photos from the June event [HERE](#) on our Facebook page.

It was great to see everybody that made it all look forward to seeing you at the august meeting

New State Co-ordinator... but the search continues

Peter Coombs, ex Holcim/Humes, has agreed to take on the State Co-ordinator role for Queensland. Check out his LinkedIn profile [HERE](#).

Welcome Peter!

Please let us know if you know anyone suitable for Victoria, South Australia, Tasmania and Western Australia.

Upping MRWA & RMS consultation

A similar approach will be adopted to consult with MRWA in WA and RMS in NSW, as was adopted with QDTMR in Queensland. A members' meeting (of relevant members) will soon be held and we will commence a relationship-building exercise with senior MRWA and RMS staff while continuing the work with technical staff.

Code of Conduct

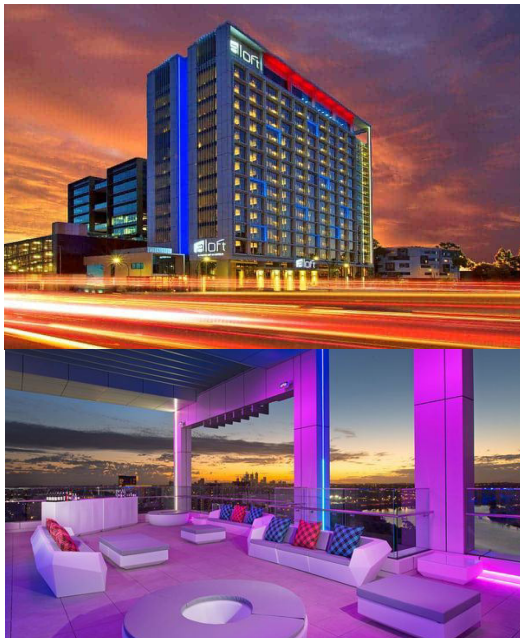

To bring NP in line with other modern, progressive associations, and to ensure we uphold our high standards, we will be rolling out a Code of Conduct in the near future. A five-page comprehensive code has been drafted but this will be summarised into an easy-to-read one pager! Watch this space!

NCC changes: NP lobbies

NP has joined forces with allied associations CCAA, SRIA, TBA and SIA to meet with State building ministers calling for a reversal of the decision to extend a recent ABCB decision to all classes of buildings, in which combustible materials can be used to 25 metres.

Other news

August Members' Event - Please See urgent note below about limited accommodation

Registrations open - [register here](#).
