

# Suppliers to the precast industry: become a National Precast Member

## Membership Options

### IP Industry Partner

As a supplier to the precast industry, your needs from National Precast are quite possibly unique. For our Industry Partners, we're happy to tailor our services to suit. Whether it be exposure to the National Precast Board by attending Board lunches, personal introductions to our members, industry surveys, collaborating with us to develop new services, let us help you to get your products and services out there.

If you want to:

1. Position yourself as the leading national supplier of your specific type of products or services to the precast concrete manufacturing industry;
2. Be the only Industry Partner member in your category of supply;
3. Use our influence and reach in your marketing strategy; and
4. Collaborate with us at a higher level...

then please consider applying for Industry Partner membership.

### NS National Industry Supplier

If you're a company supplying the precast industry nationally or in more than one State, then we invite you to become a National Industry Supplier member.

You'll be able to register as many people as you like for events in your State and connect your local reps with local precast manufacturers and their people. With regular emails and magazine subscriptions we will keep you up to date with what's going on in the industry. You'll be listed on our website and proudly wear the National Precast National Industry Supplier member badge! You'll be able to access tailored forecasting data to help you plan work demand around the country.

And if it's change you're interested in, then nominate your people to represent the precast industry with the advocacy work we do at a national or State level, with the likes of Standards Australia, Safe Work Australia, and State government departments like roads and WHS authorities.

### SS State Industry Supplier

Are you a supplier to the precast manufacturing industry and operate only in one State?

This is a new category of membership that allows you to be involved with the national body for the precast industry, at a State level. You'll be able to register as many people as you like for events in your State and connect with local precast manufacturers and their people. As well, we will keep you up to date with what's going on in the industry. You'll be listed on our website and proudly wear the National Precast State Industry Supplier member badge! And become involved with the advocacy work we do at a State level, with the likes of State government departments like roads and WHS authorities.

## Reduce your fees by referring a new member
