# Legal & Commercial Newsletter

[www.nationalprecast.com.au](http://www.nationalprecast.com.au)

Dear {Contact\_First\_Name},

See below for:

- [Lessons for precast from Collaborative Reporting for Safer Structures \(CROSS-AUS\)](#)
- [Specific checks to cover off fall protection](#)
- [Analysis of ABS work-related injuries survey data 2021-22](#)
- [ASP Piling fined when workers' arm crushed by hopper](#)
- [VIC safety alert following snapping of 10-tonne panel](#)
- [Complimentary legal, WHS & HR session for members](#)

---

## Lessons for precast from Collaborative Reporting for Safer Structures (CROSS-AUS)

CROSS-AUS Newsletter 9 highlights lessons for precast resulting from inspections of older buildings with precast concrete facades, along with reports on other structural safety issues. [Read more.](#)

## Specific checks to cover off fall protection

If you own, specify or use fall protection, you have both an ethical and legal responsibility to undertake inspections to ensure systems are intact, safe and fit for purpose. [Read more.](#)

---

## Analysis of ABS work-related injuries survey data 2021-22

Safe Work Australia has published a new report, Analysis of ABS work-related injuries survey data 2021-22. [Read more.](#)

---

## ASP Piling fined when workers' arm crushed by hopper

QLD company ASP Piling was fined \$60,000 when a man in his late 50's was cleaning build-up from the inside walls of a hopper when a swing tube moved, trapping and grinding his arm. [Read more.](#)

---

## VIC safety alert following snapping of 10-tonne panel

[WorkSafe VIC](#) has issued a safety alert after two workers narrowly avoided injury or worse, when a panel snapped during rotation while suspended from two cranes. [Read more.](#)

---

## Complimentary legal, WHS & HR session for members

Remember, as a NP Member, you can contact any of the Moray Partners for a complimentary 20-minute legal consultation on 02 4911 5400. Details can be found [here](#).
