Reminder - Call for Members to represent National Precast

Dear {Contact_First_Name},

National Precast is seeking suitably qualified and experienced nominations from Master Precaster, Industry Partner or Supplier, and Professional Associate members for the below Standards Australia committees:

AS XXXX Construction and Treatment of Basement Walls (BD-XXX)

This new standard will discuss the design, construction and treatment of basements walls.

AS 1546.3 On-site domestic wastewater treatment units Secondary treatment systems (WS-040)

This Standard sets out requirements for the design, commissioning, performance and compliance testing of secondary treatment systems (STS) and advanced secondary treatment systems designed to treat domestic wastewater.

It is expected that approximately 3-4 meetings would be held per year via zoom and phone. Please be advised that Standards Australia does not provide travel and accommodation expenses for the members attending the face to face meetings; however, it does arrange lunch and refreshments during the meeting.

[Expression of interest from
Nominee responsibilities](#)

Please forward a completed Expression of interest and Nominee responsibilities form to [Shiva](#) before **Tuesday 8th August**.

Note: Suitable member employees are encouraged to express interest.
