

# Membership for Precasters

Being part of National Precast connects you with the people and knowledge that matter most in Australia's precast industry. You'll engage with manufacturers of every size and sector, as well as suppliers, designers, and builders. As a member, you'll gain practical support, business exposure, and access to valuable resources and advice — all tailored for the precast sector.

## Why become a member?

### 7 reasons to join

1. **We're here to help you** — with information, business support, practical advice and real solutions.  
Think of us as an extension to your business.
2. **You'll connect with precast manufacturers across every state and sector** — plus key suppliers and professionals.
3. **We promote your business and the industry as a whole** — in editorials, our website and socials.
4. **Referrals** — One referred project win could more than cover your annual membership fee.
5. **Together, we influence government, regulators, and Australian Standards** — something you can't do alone.
6. **It's a smart ROI** — three Standards could cost \$1,200, a single case study can cost 1,500+, and publication in a national magazine, at least \$3,500.
7. **You'll be a model corporate citizen** — contributing to your industry's future!

# Membership Categories

Your level of membership as a precaster is determined by the length of time you've been manufacturing precast (with fees based on your ex-works turnover range).

**OR... Want to try membership but not ready for full membership? Consider Affiliate membership.**

## **AP** Affiliate Precaster

**Available to any precaster**

Affiliate Precaster membership is a **low-cost way** to show your good corporate citizenship. It's for manufacturers who want information, and support the work that's shaping the future of precast — even if you're not yet ready for full membership.

You'll receive:

- Influence Australian Standards, codes & specifications.
- Member newsletters (WHSE, Legal & Commercial, Innovation & Technology, Marketing & Communications, Representation & Advocacy and Meetings & Events).
- 12-week intern program.
- Access to National Conferences.
- Use the relevant Member logo.

Affiliate membership is a way to make a meaningful contribution to our ongoing work to protect, promote and advance the precast industry... and therefore, YOUR business!

## What our members say...

*"We've called National Precast many times to get help... with all sorts of things. Being part of a network connects us with years of experience and loads of knowledge. After all, we all know that making a wrong decision in our industry can be incredibly costly."*

**Kim Hovey, MJB Industries**

*"The Master Precaster audit was a straightforward process that didn't take much time. It was valuable to receive constructive suggestions from an external perspective."*

**Michael Hudson, Hudson Civil**

*"We don't tend to make enough time for marketing. Having National Precast get our jobs into the industry publications really gives everyone here a boost and gets our name out there."*

**Daniel Nassar, Alpha Precast**

*"Having experienced the comradery at the social events and great feedback from the conference, it was obvious National Precast has progressed to a whole new level. Value on so many fronts from precast manufacture to business practices are available as a member. The question, 'to join or not to join?'... it was obvious."*

**Dino Pietrobon, Bianco Precast**

## Reduce your fees - refer a new member

Refer one new member to National Precast and 50% of the new member's annual fee will be deducted from your membership.\*
