Please note: All 'Train based' images are AI generated. Unfortunately, we will not be eating or sleeping on a train. Chat GPT and I just found the theme entertaining and couldn't stop ourselves.

You may notice a few trains throughout this brochure.

With this year's event being hosted at the Swissôtel Sydney, we couldn't resist borrowing a little inspiration from Switzerland's famous railway network. While there won't actually be any overnight sleeper carriages or mountain rail journeys, the theme adds a fun thread throughout the event, celebrating the journey our industry is taking together towards a stronger future.

...so grab your ticket, climb aboard and enjoy the ride...

WELCOME ABOARD
THE PRECAST EXPRESS

AUSTRALIA'S PREMIER GATHERING FOR THE PRECAST INDUSTRY

NATIONAL PRECAST INDUSTRY SHOWCASE

Our National Precast Industry Showcase is designed to give suppliers stronger commercial exposure within a highly targeted precast environment.

Co-located with Concrete NZ, this event blends industry engagement with a dedicated supplier showcase focused specifically on the Australian precast sector. The atmosphere is energetic, commercial and relationship driven, creating opportunities to connect directly with manufacturers, specifiers and decision makers actively operating in the market.

With a curated member audience and focused exhibition footprint, the event prioritises quality conversations over crowd size, delivering stronger engagement and more commercially relevant outcomes for exhibitors.

WELCOME CONCRETE NZ

This year, National Precast is proud to welcome delegates from Concrete NZ, who will be joining us in Sydney as part of the 2026 National Precast Industry Showcase. By bringing together industry leaders, manufacturers, suppliers and professionals from both Australia and New Zealand, the event provides a unique opportunity to share knowledge, strengthen trans-Tasman relationships and explore the latest developments shaping the future of precast concrete.

This collaboration reflects the strong relationship between our two organisations and reinforces our shared commitment to advancing the precast industry through innovation, education and collaboration.

MEMBERS DINNER

Tuesday, 10 November: 6.00 pm – 10.30 pm

Swissôtel, 68 Market Street, Sydney

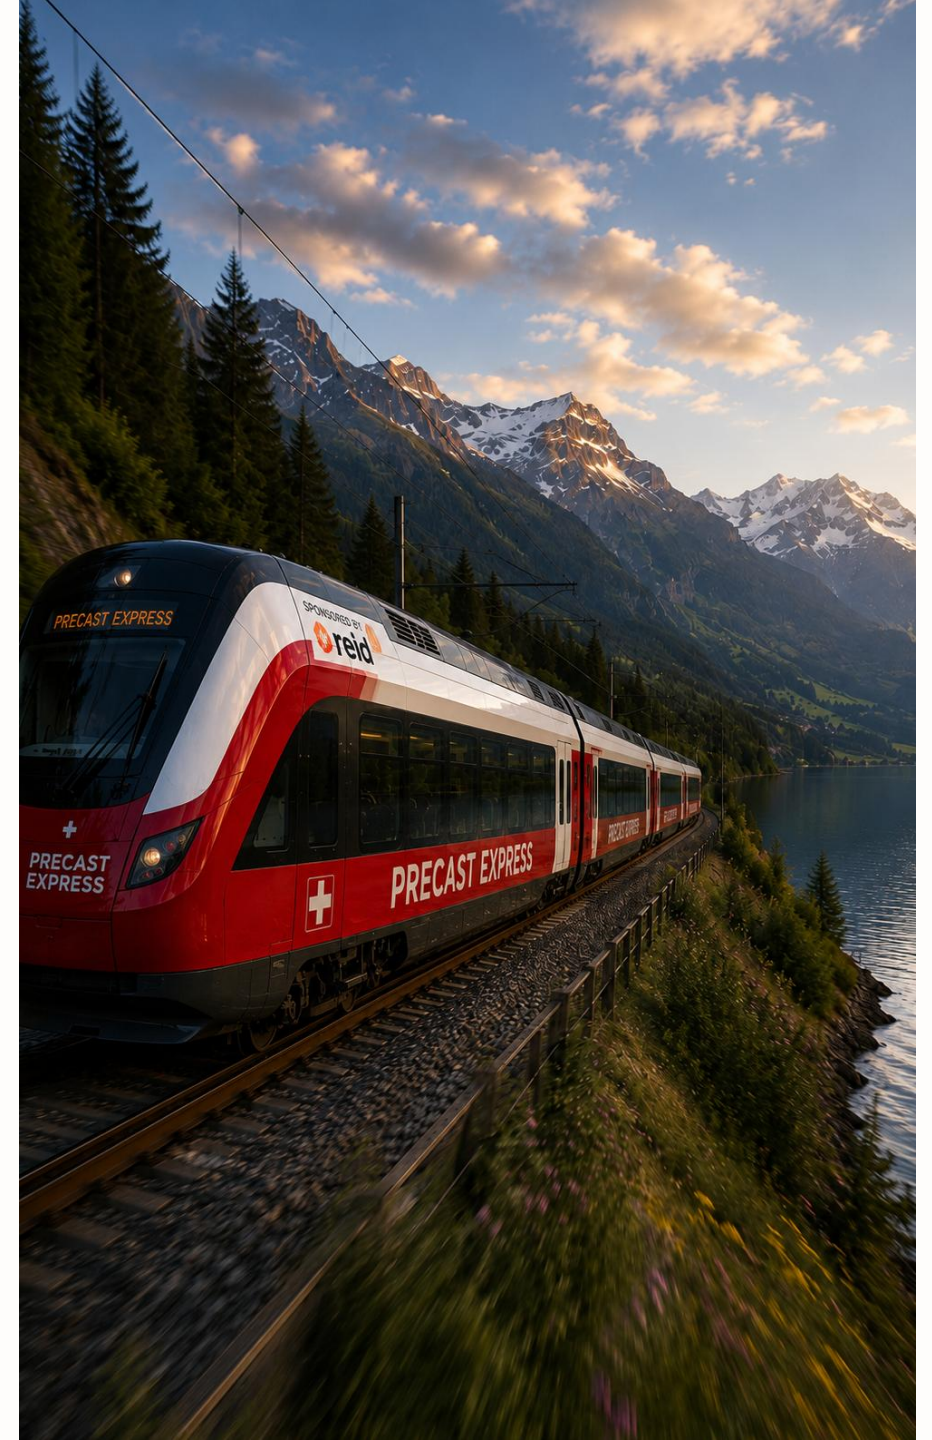

Arches on Market (Main Bar)

First Class Connections begins here

MEMBERS DINNER

- Our Members Dinner brings together delegates from across Australia for an evening of connection, conversation and industry camaraderie. This year's event will also welcome our colleagues from Concrete NZ, who have travelled across the Tasman to join us for our *National Precast Industry Showcase*.
- Set against a classic railway-inspired theme, the evening will provide a relaxed environment to strengthen existing relationships, build new connections and celebrate the people and organisations shaping the future of our industry. Whether reconnecting with familiar faces or meeting new peers, this is one of the conference's most anticipated networking events.
- Dress to impress and bring your conductor's baton, with prizes awarded for best dressed on the night. For those who forget to embrace the theme, fear not, there will be plenty of railway-inspired frivolities and accessories available to help you get into the spirit of the evening.

DRESS TO IMPRESS

Dress in your best Conductors or train themed travel kit

Prizes for best dressed

Think: Train themed attired. Conductor or flat hats, pocket watches, suspenders and neckerchiefs. Don't forget pops of red as a nod to our Swiss destination!
